CHEF'S TIPS

Roast Potatoes

Peel potatoes and cut into medium-sized chunks and pop in a pan. Cover with water and a good amount of salt. Bring to a boil and simmer for about 10 minutes.

Drain through a colander and allow to steam. Prepare a hot roasting tray with plenty of beef drippings or vegetable oil and add the potatoes. Sprinkle rosemary and a couple cloves of garlic into the pan. Pop the pan in the oven to roast. They're ready when crispy and golden.
