GIN

50ml

ICONIC GIN | Bottle available in The Hub 40% £14

Our handcrafted London Dry Gin takes you on a sensory journey through an eclectic blend of botanicals, inspired by the beautiful and unique characteristics of our hotels, each as distinctly individual as our guests. Crafted in a converted 17th Century Barn and sympathetic to the original craftsmanship of the building, the place has retained all of the cathedral-like timber architecture of the original barn. The surrounding abundantly generous countryside inspires and provides every day with many botanicals "Made of England."

PLYMOUTH 41.4% £9
Smooth earthy flavor with citrus notes, and centuries of continuous craftsmanship at the historic Black Friars Distillery.

MONKEY 47 47% £14
